MOBILE OFFICE TO ISSUE DRIVER LICENSES AND MORE TO NAVY PERSONNEL

~ Bringing services directly to you ~

JACKSONVILLE -- The Florida Department of Highway Safety and Motor Vehicles is pleased to bring services directly to sailors, their families and military retirees at Jacksonville Naval Air Station this weekend, saving them a possible trip to our offices.

Florida Licensing On Wheels mobile units are equipped with the technology and ability to bring valuable motorist services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, get an identification card, renew a vehicle registration and purchase a specialty license plate.

The FLOW mobile also offers the Department's newest safety initiatives through Emergency Contact Information registration, identification cards for children (ages five and older) and safety campaigns by the Florida Highway Patrol.

Customers wishing to obtain a driver license or ID card must bring an original or certified copy of their birth certificate and proof of their Social Security number. DHSMV provides a complete list of acceptable identification documents at www.flhsmv.gov/ddl/faqkeys.html. Customers also need to bring proof of their residential address because driver licenses and ID cards no longer show non-residential addresses, such as a post office box number.

The cost of an ID card is \$10. Acceptable methods of payment include cash, check and select credit cards (MasterCard, American Express and Discover).

DHSMV is bringing the office to you. Please visit the FLOW mobile at the following location:
